

Thinking Moves

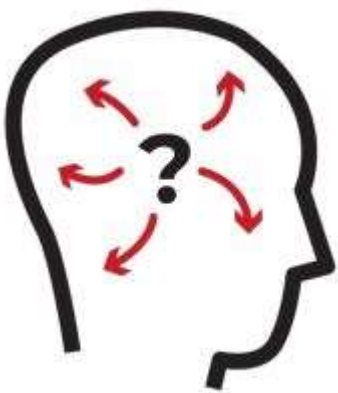

Metacognition Made Simple

“A unique approach to inspiring children and young people to question, reflect and think deeply”

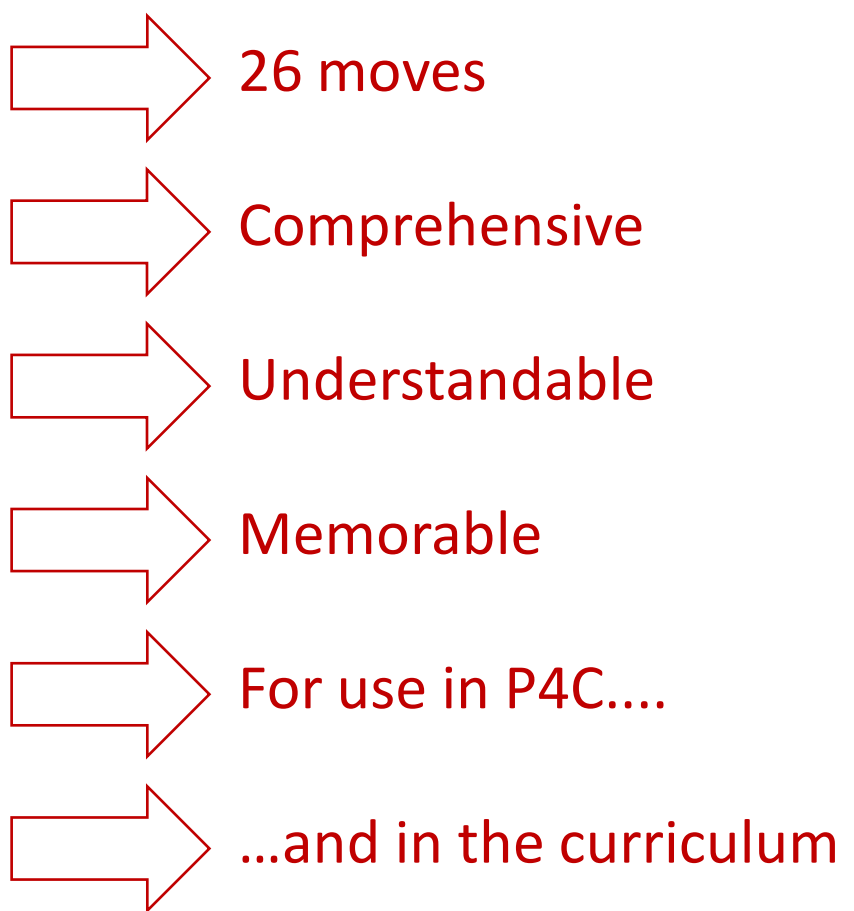

Professor Dame Alison Peacock, DBE, DL, DLitt
Chief Executive, Chartered College of Teaching

Metacognition

Teachers and students need a common vocabulary of thinking to use in enquiry and general learning

Moves
A - Z

Effective metacognition and self-regulation:

- Can accelerate progress by 7 months
- Helps lower achieving students catch up
- Is best taught and learned collaboratively
- Is a low-cost intervention
